Risk Disclosure

All investments involve risks, including the loss of principal. The past performance of a security or financial product does not guarantee future results or returns. Keep in mind that while diversification may help spread risk it does not assure a profit, or protect against loss. Customers should consider their investment objectives and risks carefully before investing in securities. The price of a given security may increase or decrease based on market conditions and customers may lose money, including their original investment.

Cash Sweep Program

The Annual Equivalent Rate (“AER”) paid by program banks is subject to change at any time, at the program banks’ discretion. Cash is protected by Federal Deposit Insurance Corporation (“FDIC”) insurance, which is made available through the program banks. Neither RHUK nor any of its affiliates are banks.
