

Robinhood ACATS 1% Bonus Offer Terms & Conditions

Robinhood Financial LLC ("Robinhood") ACATS 1% Bonus Offer ("Bonus Offer") is subject to these Terms & Conditions.

Eligibility. The Bonus Offer is only available to customers who have: (1) successfully opened a Robinhood taxable (non-retirement) individual brokerage account ("Brokerage Account") and (2) within the Offer Period, successfully initiated an Automated Customer Account Transfer Service ("ACATS") transfer of new funds or investments to their Brokerage Account from an external brokerage account. ACATS transfer must be successful to qualify for the Bonus Offer.

Offer. Robinhood ACATS Bonus. For eligible Robinhood customers who complete an ACATS transfer within the Offer Period, Robinhood will deposit 1% of the net transferred asset value to the customer's Brokerage Account, subject to a two-year earn-out as discussed below. "Net transferred asset value" is the total value of the initiated ACATS minus the value of any outflows from April 30, 2024 at 12:00:00 AM ET until the ACATS is settled, excluding outflows that led to a chargeback. The Bonus will be provided within approximately two weeks from when the customer's eligible ACATS transfers are completed. The Offer Period begins April 30, 2024 and ends June 28, 2024; however, Robinhood may change these dates at any time without notice. Transferred assets are eligible if they are initiated during the Offer Period.

Limitations. If, during the 2 year period after receiving a Robinhood ACATS Bonus, the Brokerage Account value after the customer initiates a withdrawal (other than for purposes of purchasing cryptocurrencies in their Robinhood Crypto account) is below the net transferred asset value plus any Bonus they have received, Robinhood will chargeback a proportional amount of the Bonus amount, separate from and in addition to any ACATS out fee, and if the customer has cash available in their Brokerage Account, this chargeback will be deducted from their available cash balance. If the customer has insufficient cash available in their Brokerage Account to cover the chargeback, this fee may be debited from their outgoing financial institution, or added to a margin balance, if applicable. Withdrawals include, but are not limited to, a debit card transaction from a customer's Brokerage Account, originated and non-originated ACH, and ACATS. However, a withdrawal shall not include the purchase of an investment in your Brokerage Account, such as a stock.

In the event that Robinhood determines in its sole discretion that there may have been fraudulent activity or a violation of these Terms in connection with the Bonus, Robinhood reserves the right to either decline to grant the Bonus, or to rescind or liquidate the Bonus, or any security or any related dollar proceeds derived from the Bonus. The Bonus will be credited to the customer's Brokerage Account within approximately two weeks after the customer has fulfilled the conditions of the Offer, though this timeline may be delayed in Robinhood's sole discretion if, for example, Robinhood determines that there are indications of fraud or a violation of these Terms.

The amount of the Bonus is calculated based on 1% of the net transferred asset value (as defined above), using the national market system closing price of each position transferred into the account on the trading day before when the transfer settles. Settlement is deemed to occur when the securities are posted to the account and available to trade. Please note that the Bonus is only available for securities that successfully transfer and settle, and will not be granted for securities that are rejected.

The Robinhood ACATS Bonus Offer is not a recommendation of any investment or investment strategy, and is not a recommendation that a customer transfer assets into a Robinhood Brokerage Account. Robinhood reserves the right to change the offer terms or terminate the offer at any time without notice. The offer is not transferable, saleable, or valid in conjunction with certain other offers and is available to U.S. residents only. The offer is only valid for ACATS transfers into an individual taxable brokerage account (other account types including, but not limited to, joint accounts and retirement accounts, are not eligible for this offer). The offer is only available for personal use, and may not be used for commercial purposes.

Taxes. [UPDATED FEBRUARY 2025] Consult with your tax advisor about the appropriate tax treatment for this offer and any tax implications associated with receipt of a cash reward before enrolling. For taxable accounts, the value of all Robinhood offers received or charged back may be reported on applicable 1099 forms where required by rules and regulations. Robinhood does not take responsibility for any tax related to this cash reward.
