 Though Robinhood Crypto doesn't charge fees for transfers, every crypto transfer does require a network fee. Network fees, or gas fees, are paid to miners/validators who process blockchain transactions. Fees vary based on network activity.

*Robinhood Crypto reserves the right to vary its rates and fees among customers in connection with special offers, promotions, or arrangements based on criteria such as account values, account balances or customer loyalty.*

*Processing and service fees assessed by third parties may be passed through to the customer's account. Some products and services may require additional fees or transaction minimums not specifically listed here. Prior to placing a trade or requesting any services, it is the customer's responsibility to ask Robinhood Crypto if any additional fees will apply.*
