RHEU Share Token Giveaway Terms

A SHARE TOKEN REPRESENTS A DERIVATIVE CONTRACT BETWEEN THE HOLDER AND THE RHEU, AND DOES NOT GRANT THE HOLDER ANY RIGHTS IN RELATION TO THE ACTUAL SHARES ISSUED BY THE COMPANIES OR FUNDS WHOSE PRICES THE SHARE TOKENS REFLECT. THIS MEANS:

- SHARE TOKENS ARE NOT SHARES OF ANY COMPANIES OR FUNDS.
- SHARE TOKENS DO NOT GRANT THE HOLDER ANY RIGHTS IN RELATION TO SHARES OF ANY COMPANY OR FUND, OR TO ANY ASSETS OTHER THAN THE DERIVATIVE CONTRACTS REPRESENTED BY THE TOKENS.
- WHEN YOU ACCEPT A SHARE TOKEN FROM RHEU PURSUANT TO THESE TERMS, YOU ARE ENTERING INTO A DERIVATIVE CONTRACT WITH RHEU.
- THE TOTAL VALUE OF ANY SHARE TOKENS ACCEPTED FROM RHEU PURSUANT TO THESE TERMS MUST BE HELD IN YOUR ACCOUNT FOR 180 DAYS.

These terms and conditions (‘Terms’) apply to your access to and participation in the Share Token Giveaway (the ‘Promotion’), which is operated by Robinhood Europe, UAB (‘Robinhood’, ‘RHEU’, ‘our’, ‘us’, or ‘we’). These Terms complement and incorporate by reference the Robinhood Europe Client Agreement (the ‘Client Agreement’). In the event of any conflict between the Client Agreement and these Terms, these Terms will prevail.

Eligibility: The Promotion is only available to Robinhood clients who successfully onboard to trade Robinhood share tokens, as defined in the client agreement (an ‘Eligible Client’) during an offer period designated by Robinhood for the Promotion (all such offer periods are referred to collectively as the ‘Offer Period’). To be eligible for the Promotion, clients must complete the required Robinhood onboarding processes, including passing all applicable assessments related to the trading of Robinhood Share Tokens, as determined at the sole discretion of RHEU. Clients may sell Share Tokens received through the Promotion, but clients must keep the total value of the Share Tokens received in their account for 180 days (i.e., if you have received €10 in Share Tokens, you must keep €10 in your account for 180 days). The Promotion is not available to the general public, and Robinhood is under no obligation to make the Promotion available to anyone. Robinhood reserves the right to decline requests to participate in the promotion.

Offer: The Promotion is a limited time offer that is only available during the Offer Period, subject to availability and while supplies last. Eligible Clients will receive Robinhood Share Tokens, the price of which tracks the price of shares issued by Nvidia Corporation (‘NVDA’) or the Vanguard S&P 500 ETF (‘VOO’) (each a ‘Share Token’). Share Tokens are offered to

Eligible Clients for no consideration. The total value of the Share Tokens received through the Promotion must be held in your account for 180 days.

For the purposes of these Terms, 'Share Tokens' are financial derivative contracts between you and Robinhood, the price of which tracks the price of shares issued by the company or fund referenced above (the shares issued by the company or fund are referred to as an 'Underlying Asset'). Share Tokens do not entitle you to the right to receive any Underlying Assets, any shares issued by companies or funds, or any portion of assets held by Robinhood as a hedge. The value of each Share Token depends on the performance of its Underlying Asset.

Robinhood reserves the right to close the Promotion early for any reason or amend its terms (including these Terms) at any time and at its sole discretion.

Limitations: Robinhood may delay, decline or rescind the issuance of Share Tokens and any rights to receive them at its sole discretion, for example if it determines that there are circumstances indicating fraud or a violation of these Terms or the Client Agreement. Robinhood reserves the right to change or restrict the terms of the Promotion, or terminate the Promotion, at any time without prior notice. This offer is valid even if you have already accepted other Robinhood offers.

Taxes: You are solely responsible for any taxes related to this offer. Before participating in the Promotion, consult your tax advisor about the appropriate tax treatment for this offer and any tax implications associated with receiving a Share Token.

Disclosures:

Share Tokens are derivative contracts between you and Robinhood. They are priced according to the price of the underlying securities, but do not grant any rights to them. Share Tokens carry a high level of risk and are not suitable for all investors. Investors may lose up to the full amount of their invested capital due to market conditions or the insolvency of Robinhood. Please review the Description of the Services, Financial Instruments, and Risks and the Key Information Document to fully understand all associated risks before participating in the Promotion or investing.
