- (2) specific information on the investment options available for the Linear Perpetual Futures (Commodities) product;
- (3) specific information on the investment options available for the Linear Perpetual Futures (ETFs) product;
- (4) specific information on the investment options available for the Linear Perpetual Futures (FX) product; and
- (5) specific information on the investment options available for the US-listed Share / ETP Derivative product.

Date of revision for this specific information document: July 1, 2026.

Product

Name: Linear Perpetual Futures (Crypto Asset)

PRIP Manufacturer: Robinhood Europe, UAB, a licensed and regulated Lithuanian investment firm (legal entity code 306377915) ('**Robinhood Europe**') being a subsidiary of Robinhood Markets, Inc. (collectively with its affiliates, '**Robinhood**') and part of the Robinhood group of companies

Contact: <https://robinhood.com/eu/en/> | Call +370 5 214 1321 for more information

Competent Authority: The Bank of Lithuania, Gedimino pr. 6, LT-01103 Vilnius, Lithuania, is responsible for supervising Robinhood Europe regarding this Specific Information Document

You are about to purchase a product that is not simple and may be difficult to understand. This applies to all investment options for this product.

What is this product?

The Linear Perpetual Futures product (the '**Crypto Perps Product**') is a cash-settled future based on a cryptoasset, as selected on the Robinhood Europe app. The KID for the Crypto Perps Product is available (the '**Crypto Perps Product KID**') and provides a full description. The different investment options available to you for the Crypto Perps Product are therefore the different underlying cryptoassets that Robinhood Europe offers the Crypto Perps Product in.

This document provides information that is applicable to all investment options available within the Crypto Perps Product, and then goes on to provide specific information in respect of each investment option in the table below.

Please click here to go to the relevant alphabetical section of the table below for your chosen investment option:

[A] [B] [C] [D] [E] [F] [G] [H] [I] [J] [K] [L] [M] [N] [O] [P] [Q] [R] [S] [T] [U] [V] [W] [X] [Y] [Z]

For **all investment options** under the Crypto Perps Product:

Investment objectives, means for achieving them and intended target market

The investment objectives, means of achieving them, and intended target market for all investment options are as described in the '*What is this product?*' section of the Crypto Perps Product KID and applies directly and specifically to this investment option.

Summary risk indicator and narrative

The summary risk indicator and related information for all investment options are as described in the '*What are the risks & what could I get in return?*' section of the Crypto Perps Product KID and applies directly and specifically to this investment option. For clarity, we have classified this investment option as **7 out of 7**, which is the highest risk level.

Performance scenarios

For all investment options, this is as described in the 'Performance Scenarios' section of the Crypto Perps Product KID and applies to the selected investment option. The KID illustrates the worst-case scenario for all investment options; more information on the past performance of your selected underlying cryptoasset (to which this investment option will be correlated, given the intention to provide direct exposure to the price of your selected cryptoasset) is available via the links below.

What happens if Robinhood Europe is unable to pay out?

For all investment options, this is as described in the '*What happens if Robinhood Europe is unable to pay out?*' section of the Crypto Perps Product KID and applies directly and specifically to this investment option.

What are the costs?

For all investment options, this is as described in the '*What are the costs?*' section of the Crypto Perps Product KID and applies directly and specifically to this investment option.

How long should I hold it and can I take my money out early?

For all investment options, this is as described in the '*How long should I hold it and can I take my money out early?*' section of the Crypto Perps Product KID and applies directly and specifically to this investment option.

How can I complain?

For all investment options, this is as described in the '*How can I complain?*' section of the Crypto Perps Product KID and applies directly and specifically to this investment option.

Other relevant information

For all investment options, this is as described in the '*Other relevant information*' section of the Crypto Perps Product KID and applies directly and specifically to this investment option.
