

RHEU Stock Token Giveaway Terms

A STOCK TOKEN REPRESENTS A DERIVATIVE CONTRACT THAT THE HOLDER OF THE STOCK TOKEN HAS WITH RHEU AND DOES NOT GRANT ANY RIGHTS TO THE HOLDER IN RELATION TO ACTUAL SHARES ISSUED BY COMPANIES OR FUNDS WHOSE PRICES THE STOCK TOKENS REFLECT. THIS MEANS:

- STOCK TOKENS ARE NOT SHARES OF ANY COMPANIES OR FUNDS.
- STOCK TOKENS DO NOT GRANT THE HOLDER ANY RIGHTS IN RELATION TO SHARES OF ANY COMPANY OR FUND, OR TO ANY ASSETS OTHER THAN THE DERIVATIVE CONTRACTS REPRESENTED BY THE TOKENS.
- WHEN YOU ACCEPT A STOCK TOKEN FROM RHEU PURSUANT TO THESE TERMS, YOU ARE ENTERING INTO A DERIVATIVE CONTRACT WITH RHEU.
- THE TOTAL VALUE OF ANY STOCK TOKENS ACCEPTED FROM RHEU PURSUANT TO THESE TERMS MUST BE HELD IN YOUR ACCOUNT FOR 180 DAYS.

These terms and conditions (“Terms”) apply to your access to and participation in the Stock Token Giveaway (the “Promotion”), which is operated by Robinhood Europe, UAB (“Robinhood”, “RHEU”, “our”, “us”, or “we”). These Terms complement and incorporate by reference the [Robinhood Europe Customer Agreement](#) (the “Customer Agreement”). In the event of any conflict between the Customer Agreement and these Terms, these Terms will control.

Eligibility: The Promotion is available only to those Robinhood customers who successfully onboard to trade Robinhood Stock Tokens as defined in the Customer Agreement (an “Eligible Customer”) during an offer period designated by Robinhood for the Promotion (all such offer periods referred to collectively as the “Offer Period”). To be eligible for the Promotion, customers must complete the required Robinhood onboarding processes, including passing all applicable assessments related to the trading of Robinhood Stock Tokens, as determined by RHEU in its sole discretion. Customers may sell Stock Tokens received through the Promotion, but customers must keep the total value of the Stock Tokens received in their account for 180 days (i.e., if you have received €10 in Stock Tokens, you must keep €10 in your account for 180 days). The Promotion is not available to the general public, and Robinhood is under no obligation to make the Promotion available to anyone. Robinhood may decline requests to participate in the Promotion at its discretion.

Offer: The Promotion is a limited time offer that is only available during the Offer Period, subject to availability and while supplies last. Eligible Customers will receive Robinhood Stock Tokens, the price of which tracks the price of shares issued by NVIDIA Corporation (“NVDA”) or Vanguard S&P 500 ETF (“VOO”) (each a “Stock Token”). The Stock Tokens are

offered to Eligible Customers for no consideration. The total value of the Stock Tokens received through the Promotion must be retained in your account for 180 days.

For the purposes of these Terms, “Stock Tokens” are financial derivative contracts between you and Robinhood, the price of which tracks the price of shares issued by the company or fund referenced above (the shares issued by the company or fund an “Underlying Asset”). Stock Tokens do not entitle you to any right to receive any Underlying Assets, any shares issued by companies or funds, or any portion of assets held by Robinhood as a hedge. The value of each Stock Token depends on the performance of its Underlying Asset.

Robinhood reserves the right to be able to close the Promotion early for any reason, or to amend the terms of the Promotion (including by altering these Terms), both in its sole and absolute discretion.

Limitations: Stock Tokens, and any rights to receive them, may be delayed, declined, or rescinded in Robinhood’s sole discretion if, for example, Robinhood determines that there may be circumstances indicating fraud or a violation of these Terms or the Customer Agreement. Robinhood reserves the right to change or restrict the terms of the Promotion, or terminate the Promotion, at any time without notice. This offer is valid even if other Robinhood offers have already been accepted.

Taxes: Taxes related to this offer are solely your responsibility. Consult with your tax advisor about the appropriate tax treatment for this offer and any tax implications associated with receipt of a Stock Token before participating in the Promotion.

Disclosures:

Stock Tokens are derivative contracts between you and Robinhood. They are priced at the prices of the underlying securities without granting rights to them. Stock Tokens carry a high level of risk and are not appropriate for all investors. Investors may lose up to the full amount of their invested capital due to market conditions or the insolvency of Robinhood. Please review the [Description of the Services, Financial Instruments, and Risks](#) and the [Key Information Document](#) to fully understand all associated risks before participating in the Promotion or investing.
