

Robinhood App Use Standards

About Our App Use Standards

The Robinhood App Use Standards apply to all types of content on Robinhood and govern what is and isn't allowed on our platform, including customer support interactions. We've developed these App Use Standards to help ensure Robinhood continues to be a safe and inclusive environment as we work to democratize finance for all. While we may need to update our App Use Standards occasionally, you can always find the most current version here.

Safety

We're committed to ensuring Robinhood is a safe place, so everyone can use our platform safely and openly.

- **Bullying, abuse, and harassment:** Bullying, abuse, and harassment of any individuals or groups of people are expressly prohibited.
- **Hateful speech or conduct:** Hateful speech or conduct against any individuals or groups of people is expressly prohibited.
- **Threats and promotion of violence:** Threats and the promotion of physical harm or violence against an individual, group of people, or entity are expressly prohibited.
- **Inappropriate, defamatory, offensive, vulgar, or graphic content or imagery:** Inappropriate, defamatory, offensive, vulgar, or graphic content or imagery is expressly prohibited.
- **Sexually explicit content or imagery:** Sexually explicit content or imagery is expressly prohibited.

Illegal Activity

You are independently responsible for complying with all applicable laws when interacting with our platform, and Robinhood is committed to ensuring that our platform is used responsibly and lawfully at all times.¹

- **Fraud or unlawful activities:** You may not use our platform to coordinate or otherwise engage in fraudulent or unlawful activities, including selling, buying, or facilitating transactions for illegal goods, features, or purposes, or otherwise intentionally or unintentionally violating local, state, national, or international laws.
- **Sanctions violations:** You may not use our platform to engage in any activity that may be in violation of regulations administered by the United States Department of the Treasury's Office of Foreign Asset Control, including any financial activity with or for the benefit of an individual, jurisdiction, or entity that is blocked or prohibited by relevant sanctions authorities, nor should you attempt to access the Robinhood platform from any of these sanctioned regions.
- **Terrorism or violent extremism:** We have zero tolerance for threats or promotions of terrorism or violent extremism on our platform.
- **Child sexual exploitation:** We have zero tolerance for child sexual exploitation and any use of our platform to engage in transactions that facilitate child sexual exploitation.
- **Human trafficking:** We have zero tolerance as it relates to using our platform to coordinate, support, or otherwise engage in human trafficking activity.

Authenticity

We believe that the integrity and security of our platform is crucial to ensure our users have a safe and truthful experience on Robinhood.

- **Security:** Do not upload or otherwise share materials that contain software viruses or computer code, files, or programs designed to interrupt, destroy, or limit the functionality of any software, hardware, or devices.
- **Impersonation:** Do not use our platform to pretend to be someone else, or to pretend to be associated with Robinhood, another company, or another entity.

¹ Robinhood complies with all relevant Federal and State level regulations that govern financial institutions, including the Bank Secrecy Act and Anti-Money Laundering (BSA/AML), and the PATRIOT Act that are enforced by the Financial Crimes Enforcement Network (FinCEN) and other federal/state regulators.

- **Account integrity:** Do not use your account to compromise the security of other accounts or our platform.
 - **Information integrity:** Do not use our platform to share any material you do not have a right to share (such as insider information, proprietary or confidential information) or any material with forged or manipulated identifiers that disguise the origin of the material.
 - **Misinformation:** Do not use our platform to deceptively share manipulated information or media that may cause harm.
 - **Consumer scams and social engineering:** Do not attempt to defraud, deceive, or manipulate other users, whether for monetary gain, personal data misappropriation, or otherwise.
- Spam and bot content:** Do not use our platform to share unsolicited messages, requests, or spam, or to intentionally disrupt people’s experience on Robinhood.
- **Intellectual property:** Do not use our platform to share any material that infringes upon any patent, trademark, trade secret, copyright, rights of privacy or publicity, or other proprietary rights of any party.²

Privacy

We’re committed to protecting the personal privacy of our customers and to ensuring our customers understand how their personal information is handled at Robinhood. Please review our [Privacy Policy](#) for details about how we process the information we collect about you when you interact with Robinhood.

- **Private information of others:** As a condition of our App Use Standards, you cannot share information that is invasive of another individual’s privacy—such as a physical address, email address, phone number, or other contact information. Also, avoid sharing anything that includes your personal information or account information.

² We will take down works in response to Digital Millennium Copyright Act (“DMCA”) takedown notices and/or other intellectual property infringement claims. If you believe that your intellectual property rights have been infringed, please submit a written notice to our designated copyright agent at: DMCA@robinhood.com. We may suspend or terminate a customer account if the customer repeatedly infringes upon third parties’ copyrights.

Enforcing our App Use Standards

Our first priority is to maintain the safety of our customers. To that end, Robinhood maintains the right, in its sole discretion, to make determinations as to whether any activity violates our App Use Standards. If we believe that you have engaged in any activity that violates our App Use Standards, we may take a number of actions, based on the severity of the violations. These actions could include, but are not limited to removing content, issuing warnings, limiting platform access, and removing customers from the Robinhood platform who take repeated or egregious actions against our App Use Standards.

If we have taken corrective action against your account for violating our App Use Standards and you disagree with our determination, you can submit an appeal by sending an email to appeals@robinhood.com.

Robinhood's App Use Standards are written in alignment with our [Terms and Conditions](#).
