

Robinhood Legend General Disclosure and Acknowledgement

Robinhood Legend is intended to be a real-time analysis and trading platform. Robinhood Legend may have different features, use different data sources, and support a different set of products than the Robinhood mobile app and Robinhood classic web experience, as well as the appropriate legal entity that you have opened an account(s) with.

You understand and acknowledge that:

- The Robinhood Legend trading platform is available in multiple international jurisdictions. There may be Robinhood products and account types referred to on the Robinhood Legend platform (and/or in this Robinhood Legend General Disclosure and Acknowledgement (“Disclosure”) which are not available to customers in your jurisdiction. Metrics and tools on Robinhood Legend (collectively “Tools”) are for informational and educational purposes only and should not be used or construed as investment advice, financial guidance, or an offer, solicitation, or recommendation to buy, sell, or hold any security, commodities future, futures option, cryptocurrency, or other instrument.
- Price data for non-tradeable products is made available for information purposes only – it is not an offer, recommendation, inducement or invitation to buy, sell or hold any securities, or to engage in any investment activity or strategy.
- Many capabilities of the Robinhood Legend Product Offering (“Robinhood Legend”) may be different than what is offered via Robinhood mobile app or “Robinhood classic” (i.e., the traditional web product available via logging into robinhood.com). Important securities and cryptocurrency details that are usually visible on an instrument’s details page via mobile app or Robinhood classic are not available in Robinhood Legend. If you would like to view such information, you can use the mobile app or login to Robinhood classic on robinhood.com.
- You have reviewed Robinhood’s general [Terms and Conditions](#) of using our service. This Disclosure and its terms may be supplemented or amended from time to time by Robinhood by notice to you, and such notice requirement may be satisfied by the revised terms being posted on Robinhood’s [Disclosure Library](#). By continuing to utilize the Robinhood Legend platform, you are deemed to have accepted the terms of the revised Disclosure and will be legally bound by its terms and conditions.
- For U.S. residents: You acknowledge that you have reviewed the corresponding Help Center [article](#) pertaining to settings (including order settings) for Robinhood Legend.

- System response and account access times and feature availability may vary due to a variety of factors, including trading volumes, market conditions, system performance, scheduled downtime, and other factors.
- The Tools are not designed to yield variable results specific to your individual financial situation, risk tolerance, or investment goals, and none of the Tools should be relied upon in any way to determine the suitability of an investment or transaction for you. Before buying or selling any instrument, you should carefully consider your individual financial situation, investment objectives, risk tolerance, and liquidity needs, and consult licensed financial and tax professionals to determine for yourself whether the transaction is suitable for you.
- All investments and transactions involve risks, including the loss of principal. Futures, options on futures and cleared swaps trading involves significant risk and is not appropriate for everyone. Please carefully consider if it's appropriate for you in light of your personal financial circumstances. Performance data represents past performance and is no guarantee of future results. Investment returns and principal value will fluctuate and are subject to market volatility. An investment, when redeemed, may be worth more or less than the original cost. Current performance may be lower or higher than the performance data quoted. To view standardized performance, as well as performance current to the most recent month-end, visit the relevant instrument's details page through either our mobile app or Robinhood classic by logging in on robinhood.com.
- Robinhood does not provide any advice to you and, in particular, that Robinhood does not provide any tax, legal, financial, or accounting advice. You are encouraged to consult your own tax advisor or attorney.
- By using any of the Tools on Robinhood Legend, you acknowledge that you have read and understand this Disclosure and agree to the terms of use provided herein.
- For U.S.-based cryptocurrency transactions, orders are only routed to [partner exchanges](#) and will incur a transaction-based [fee](#).

These disclosures can be reviewed at any time by visiting the Robinhood Disclosure Library applicable in your jurisdiction:
